On the award winning black volcanic beach of Kamari, **Bellonias Villas** embodies the unique landscape of Santorini, Greece – mixing the past with the present creating a sophisticated experience with a warm and natural ambiance.

Guests are treated to first class amenities from luxurious spa services, knowledgeable concierge team on hand 24 hours a day, seven days a week to the private beach on Kamari Beach accompanied with soft comfortable sun loungers, cultivated straw umbrellas and the Bellonias Villas beach service team tending to every need.

“The area of Kamari Beach can be described authentic and still untouched where someone can admire the simple island lifestyle,” stated Maro Markozani, Sales Manager at Bellonias Villas. “This area might still be the least busy area on the island providing guests uncompromised amenities. Our efficient concierge team is always available to create a personalized

itinerary for each guest that will make their stay memorable – even making several proposals of activities for guests to choose from.” Markozani highly recommends a sailing cruise experience on the sparkling deep blue waters of the Aegean Sea.

“Guests feel carefree as they spend their day on the beautiful black sand beach lounging, dining at Elia indulging in traditional Greek flavors or poolside enjoying our signature luscious and eccentric flavored cocktails,” Markozani described adding, “They can also stroll along the beach pedestrian boulevard with all the shops and restaurants. At the end of the day, they always enjoy returning to Bellonias Villas for some moments of peace and utmost relaxation.”
